

# PCAPPA 2008 Conference ♦ October 8<sup>th</sup> - 10<sup>th</sup> & PCAPPA Supervisor's Toolkit Training ♦ October 7<sup>th</sup> - 10<sup>th</sup>

Hosted by Portland State University, Portland, Oregon

“Colleges and Universities face increasing demands for campus expansion despite declining public financial support. These challenges create opportunities for partnerships with private entities, an attractive option for the growth of today's campus. Incorporating sustainability into campus development provides efficiency and operational improvements that reduce energy consumption and provide opportunities for student education.”

*Robyn Pierce,  
 PCAPPA Vice President for the Annual Meeting,  
 Director, Facilities and Planning, Portland State University*
